REFUND & CANCELLATION POLICY

Christ is Fit | Owner/Operator: Christopher Orakwelugo | Updated September 26, 2026

This document is a business-use policy draft prepared for Christ is Fit. It should be reviewed by a qualified attorney and insurance professional for the state(s) in which services are provided before being used as a binding legal agreement.

1. GENERAL REFUND RULE

Payments are applied to the membership, sessions, products, or services selected at purchase. Refund eligibility depends on the item purchased, the disclosed package terms, and applicable law.

2. BEFORE SERVICE BEGINS

A request to cancel before the first scheduled service may be eligible for a refund, less any clearly disclosed and lawful non-refundable setup or administrative fee.

3. AFTER SERVICE BEGINS

Used sessions, completed services, and consumed membership benefits are generally non-refundable. Unused prepaid services may qualify for a prorated refund, account credit, or other remedy when required by the package terms or applicable law.

4. BUSINESS CANCELLATION

If Christ is Fit cancels a prepaid service and cannot reasonably provide a replacement, the affected unused amount will be refunded or credited as appropriate.

5. PAYMENT DISPUTES

Clients should contact Christ is Fit first so billing errors can be reviewed and corrected. Nothing in this policy limits rights that cannot lawfully be waived.
